About the NCAWG

The Northamptonshire Cricket Association for Women and Girls is a voluntary organisation which organises the County squads. We try to support women's cricket at all levels and we maintain a relationship with the County Cricket Board through our chair, who has a place on the NCCB.

Open Training Sessions

The NCAWG runs 4-5 open training sessions at the County Ground in November and December each year. Anyone can attend, and there's a chance that you will be invited to join the squads for coaching after Christmas.

The County Squads

Players come from all over Northamptonshire. Some of our Senior players come from Oxfordshire, Cambridgeshire and Bedfordshire, because none of our neighbouring counties have Senior women's teams. You are eligible to play for the County if you were born here, go to school here or live here, or if you have played at least one season for a Northants club.

Know your cricket!

What have all these got in common?

- The first game ever played in whites in the year 1745
- The invention of over-arm bowling in the 19th century
- The first ever Cricket World Cup
- The highest ever individual score in a One Day International
- The first International 20-20 match

Answers, see reverse.

Chair vacancy

We're looking for a new Chair for NCAWG, as Catherine Rose, our current Chair, is retiring after 7 years. We need someone who can:

- Chair about 6-7 meetings a year, including the NCAWG's AGM.
- Attend two NCCB meetings a year and liaise with the Board and the ECB on developing women's and girls' cricket in the County.
- Oversee the managers and coaches of the County Squads.
- Liaise with the Indoor School on organising training dates.
- Work with the committee on managing finance, fundraising and publicity.

We need someone who really believes in supporting the women's game and can raise our profile and keep us high on the agenda. If you'd like to help, call Catherine Rose for a chat on 01234 714959 (office hours) or catherine.rose@dsl.pipex.com
