Help exams run like clockwork

Exams are among the most important and stressful events in the life of any learner. That's why it's so important they are conducted in the correct way. Invigilators are crucial to this process.

Invigilators help to make sure the right candidates are in the right places. They give out vital information such as start and finish times for exams and ensure candidates have all the materials and information needed for each exam. They also help prevent cheating.

Working as a team, invigilators contribute to ensuring a calm environment for the exams, giving candidates confidence in the process and freeing up teachers to focus on teaching.

We are looking for more invigilators to help oversee our exams. Invigilators need to be reliable and punctual, highly flexible, able to relate to learners and comfortable in a high-pressure environment. It's a part-time role, but one that can make a real difference.
