2. Terms and Conditions

Bookings are not always necessary. It is advisable to book in advance. If a tennis court is available to use, we can guarantee an hour of play (weather and light permitting), if the tennis courts are busy we will ask you to leave after an hour to give someone else a game. Otherwise you may continue playing throughout the opening hours.

Each Tennis Pass allows the Tennis Pass holder and 1 additional person to play on one court. A further 2 other guests can be brought onto the court during your session per Tennis Pass. A charge of £1.50 per person, per hour will be made for the 3rd and/or 4th player.

Each person playing has to sign in and out before and after each session. Tennis Passes MUST be shown before entrance is given to the tennis courts.

A court booking is forfeited if 10 minutes elapses without signing in.

Any cancellations must be done at least an hour before the commencement of the booking. Any Tennis Pass holders who book the courts and fail to play may risk being able to book the courts in future.

Players do not have access to a first aider whilst on the premises. However, a first aid kit is available at reception should anyone require it.

Players should not go into any other areas on the premises except for the tennis courts, changing rooms, café or library area. Player found in any other areas will be asked to leave immediately.

There is NO SMOKING anywhere on the premises both inside and outside.

No glass bottles to be taken onto the tennis courts.

Please take all rubbish away with you or dispose in the bins provided.

Foul language and offensive behaviour is not allowed.

No alcohol is to be consumed on the School Premises.

Whilst Kajima makes every effort to ensure that the playing surfaces and equipment is safe to use without obstruction, card holders are asked to check carefully that the courts are free from debris of any kind before commencing play. If any part of the courts, nets or fence is damaged then please report it to reception.

I agree to supervise and to take full responsibility for any junior users signed in on my card whilst on the premises at any time.

Signing this form implies the agreement of the terms and conditions.
