

This is a message from Northamptonshire West Police...

Please be aware of two males who have been going door-to-door in the Greens Norton and Milton Malsor areas, asking residents to donate to a charity for deaf children.

They are wearing purple/lilac tabards with the initials of the charity NCDS (National Children's Deaf Society?) written on them.

Whilst these men might be working for a legitimate charity, they are asking for people's bank details on the doorstep which you are advised, by the police and by banks, not to divulge to strangers.

The nationality of one of the men was thought to be Eastern European (this man had a streak of blond hair through the middle of his head) and the other was possibly English.

Any sightings of these men should be reported immediately to the police on the designated NHW number. Please say that you are ringing in relation to Incident Number 442 of the 18th of September.

Thank you.
