

This is a message from Northamptonshire West Police...

There were two incidents yesterday of cash snatches from tills in a village shop / town general store in Brackley and Towcester.

In both instances, two males were involved, one of whom asked the shopkeeper for a box of matches and grabbed cash from the till when it was opened.

There were no weapons involved nor was violence used.

Please can NHW members who live near a village or town small store, make the shop-keepers aware of these incidents.

Thank you.
