

This is a message from Northamptonshire West Police to all residents in Blisworth and surrounding villages.

Local police officers will be in your area on the following dates as part of an operation to prevent people from becoming victims of car crime.

Officers will be giving advice and handing out free crime-prevention packs.

July 15 Milton Malsor Community Centre Car Park from 2-5pm

July 24 Blisworth Village Hall Car Park from 3-6pm

July 27 Grange Park in Budgens' Car Park from 2-5pm

Aug 5 Hartwell Community Centre Car Park from 2-5pm

This is also an ideal opportunity for anyone to go along and meet their local officers and to talk about any local problems or issues that concern them.

Please come along and bring any friends or neighbours who might also be interested.

Officers from the Towcester Rural Safer Community Team look forward to meeting you.

Thank you.
