POLICE NOTICE

Dear Resident,

Your local Officers have been in your area today speaking to residents and offering crime prevention advice around burglary.

Part of this crime prevention advice is to remind residents that opportunist offenders could use wheelie bins or similar objects to assist them in climbing over fences to gain access to rear gardens. Once inside a house, offenders usually look for items such as jewellery, MP3 players, cameras, laptop and other small sized high-value items which can easily be concealed and sold on.

Residents are reminded ensure that side gates are locked and to take in bins after collection. If possible, don't keep your bins out the front of the property or near a fence. Please remember to lock all doors and windows before leaving your home, and to ensure that valuable items are safely put away and not left on display. If you have a house alarm, remember to set it every time you leave your house empty. A range of inexpensive property marking systems are available.

Report all suspicious circumstances to the police on **101**, or in the event of an emergency, always call **999**.

If you would like to speak to your local Safer Community Team officers to discuss any local concerns you may have, please call 101 or email us at:

SCT-SouthNorthantsTowcester@northants.pnn.police.uk

You can also call Crimestoppers on **0800 555 111** to anonymously provide information about crime and criminals in your area.

Kind Regards

PCSO 7010 Charlotte JOHNSON
