2 December 2021

Dear Sir or Madam

Notification of essential maintenance works adjacent to the A45 postponed from October 2021

I am writing to let you know that we will be carrying out essential maintenance work adjacent the A45 from Domino's Pizza to approximately Osprey Rise.

During our work we will renew the drainage ditch in this location to reduce flooding on private properties. Our work will require some vegetation clearance, but this will be kept to a minimum where possible. Please be aware that this could be a significant removal to allow us to complete the required work.

When will the work take place?

Work will take place from 15th January to 20th February 2022

We will be working on Saturdays and Sundays during the day between the hours of 7am until 7pm.

How will the work affect businesses and residents?

We will be aiming to keep access to all businesses open during these works, but the following closures will be in place.

- Closure of the A45 northbound from M1 Junction 15 to the Queen Eleanor roundabout
- Closure of the A45 Northbound entry slip road from London Road at Watton
- Access to the bus stop on London Road, Watton and on the Nene Valley Way slip road will not be available during these works

- A fully signed diversion route will be in place, using M1 Junction 16, A4500, A5076 and Mere Way

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

Contact Us

If you have any questions about this work, please contact our National Highways Customer Contact Centre for the attention of Sue Chambers, East Midlands Operations.
