A guest speaker attended from SNVB and gave a brief introduction on the work they do recognising that running voluntary organisation, club or community groups can be great fun and rewarding but it can also be time-consuming and demanding. SNVB are there to help by offering advice and support with information on the following: funding sources, registering as a charity, policies and governance, business development, campaigning and marketing, recruiting volunteers , networking to share ideas and good practice, starting a new group, keeping in touch with issues affecting the voluntary and community sector.

If you think that SNVB will be able to assist your group , then please contact Barron Walton, SNVB, Support Worker, on barron@snvb.org.uk or telephone 01327 358264 based at Towcester or 01280 841250 based at Brackely.

The Chairman tabled an annual report outlining specifics issues and projects that have occurred within Grange Park during 2008/2009. A copy was given to all Councillors present and will be issued in the Grange Park News and on our website.

A copy has also been attached to these notes.
